

# D(n)-tuples of polynomials

Problèmes ouverts — A. Dujella · 2026

---

**Problem 1.14 (Dujella, 2026).** Find an upper bound for the size of  $D(n)$ -tuples in the ring  $\mathbb{Z}[x]$  of polynomials with integer coefficients, which depends only on the degree of  $n$ . In particular, find an absolute upper bound in the case of cubic polynomials.
